

Premiere Service Driving Innovation

## Premiere Hammer Piston Puller

Premiere is celebrating **25 years** of service to our Customers within the oil and gas industry by offering superior service and technology. Our success story is derived by exemplary standards of safety, innovation, and performance. We look forward to serving our Clients for the next 25 years.

Premiere continues its commitment to expand and ultimately eliminate the limits of our customers. The all new stand alone “Hammer Piston Puller” is no exception to this standard. Designed with a pulling capacity capable of insertion / extraction of the D-100 ram weighting over 22,000lbs, insures that we have the means to adapt most any size hammer to your lifting needs.
